- Email [kentstreet.shs@education.wa.edu.au](mailto:kentstreet.shs@education.wa.edu.au)
- Mail 89 Kent Street, East Victoria Park 6101
- Office Rathay Street (opposite Gwentyfred Rd), East Victoria Park 6101

### School Office opens Tuesday 29 January 2019 - 8am to 4pm

Payment of Voluntary Contributions and Charges will take place in the Administration building on Rathay Street, East Victoria Park (see page 4 for payment options). Education Program Allowance (Secondary Assistance) forms can be completed at this time (see page 4).

### Uniform Shop

Last day of trading in 2018 – Saturday 15 December. Uniform shop will re-open Wednesday 2 January 2019 (see page 8 for regular opening times).

### Personal Items Lists

Will be available from our website from November 2018 – <http://www.kentstreetshs.wa.edu.au/> (go to Contributions and Charges and then Personal Items List). Orders through OfficeMax need to be completed by 16 December 2018 to receive free delivery. The school receives a commission for all online orders processed through OfficeMax. Families are under no obligation to use OfficeMax.

### Aviation Workbooks

Available for purchase at the beginning of the school year. Payment is to be made at the school office and receipt taken to the Aviation building to collect the books.

The workbooks required for Aviation are:

- Year 11 - Aviation Unit 1 & 2 student Workbook (Essential Content) - \$35
- Year 12 - Aviation Unit 3 & 4 student Workbook (Essential Content) - \$35

Year 11/12 text books (not workbooks) are provided by the school and included in the subject charge (see page 12).

# PAYMENT OF VOLUNTARY CONTRIBUTIONS & CHARGES

We believe that the best way to provide quality education is through the provision of modern texts and equipment for students. Declining payments of voluntary contributions may result in a poorer standard of educational materials for your child. Therefore we urge you to pay this portion to enable the school to provide your child with the education we believe they deserve to create their futures.

We urge you to start making plans now so that you are in a position to pay your Voluntary Contributions and Compulsory Charges prior to the end of Term One. However, we are aware that this can be a burden for some families and it is possible to negotiate a **payment plan**. In order to arrange this, please contact the Finance Officer.

## Payment Options

The school makes provision for the following payment options:

- By the Qkr app (download from App Store or Play Store)
- By Internet Banking to:  
BSB: 066128      Account No: 00900195  
Description: (eg: John Smith Yr8 C&C )
- By completing the credit card single payment slip on page 19
- By completing the credit card payment plan on page 17
- By telephone using credit card facilities on 9262 0500
- In person during office hours - all cash, cheque and EFTPOS options available.
- By BPay using the information on the Contributions & Charges Statement (ie: Student Number)
- ***If using BPAY for something other than contributions i.e. camps and excursions, please send an email to our Finance Officer, Julianne Vaitekenas, [Julianne.Vaitekenas@education.wa.edu.au](mailto:Julianne.Vaitekenas@education.wa.edu.au) explaining what has been paid. If this is not done the money will be allocated to the first item on the billing card.***

## Education Program Allowance

### **Applications Close Friday 12 April 2019**

The Education Program Allowance (formerly Secondary Assistance Scheme) is available to secondary students whose parent/caregiver holds a Centrelink Family Health Care or Pensioner Concession Cards or Veteran's Affairs Pensioner (Blue) Concession Card. The scheme is available to students up to and including the year in which they turn 18.

Applications are made by the parent or guardian for students enrolled in Years 7 - 12. Application forms are to be completed and returned to the school as early as possible in Term 1 and **close Friday 12 April 2019**.

- \$235 Education Program Allowance paid directly to the school
- \$115 Clothing Allowance paid directly to the parent / guardian or the school.

The Education Program Allowance will be paid directly to the school and will be applied to voluntary contributions for Year 7 -10. (For those parents/guardians who elect to pay their clothing allowance to the school these funds will be deducted from the compulsory charges first.) For Year 11 and 12 students in receipt of the allowance, the funds will be applied directly to compulsory charges.

## Processing of Payments

Schools Resourcing and Budgeting Directorate will endeavour to have all clothing payments made to the parent/guardian by 31 May 2019.

## LATE APPLICATIONS

Late applications will only be accepted in extenuating circumstances and must be accompanied with a written explanation.

Eligible interstate or overseas students who are enrolled after first term may apply for the allowance. Date of enrolment must be noted on the application.

# **VOLUNTARY CONTRIBUTIONS AND CHARGES**

The following information is provided in the hope of making the school charges and contributions structure clear for parents and caregivers. Kent Street has directed our efforts towards keeping costs as low and as equitable as possible. The Kent Street Senior High School - School Board has examined the contributions and charges structure in detail and has approved the amounts shown in accordance with the Education Act.

## **The Legal Position**

The State Government through the Department of Education provides placement at educational facilities for all students who choose to attend Government schools. The Department also pays for the wages of all teaching and support staff positions plus costs such as repairs, maintenance and utilities. Government does not provide for many goods and services that students use and it is reasonable for parents to meet these costs.

## **Where do contributions and charges go?**

Some examples include: ingredients in home economics, transport, photographic supplies, art materials, timber, metals and consumable tools, external instructors, consumable sporting equipment, text books, etc.

## **How much can be charged?**

For years 7, 8, 9 and 10 the maximum voluntary contributions a school may charge is currently fixed at \$235. However additional compulsory charges above that figure can be requested for consumables and additional resources. For Years 11 and 12 there are no maximum charges set by the State Government. Schools set their own charges for these years and such charges are compulsory. Kent Street ensures that all compulsory charges are reviewed and justified each year.

## **Who should pay?**

Given that all students benefit from the pool of collected charges, it is fair to expect that all parents should pay the balance of contributions and charges. Parents of students who choose the more expensive option subjects need to consider the costs during the subject selection process. All would agree that it is unfair for those parents who meet their financial commitments to be seen to subsidise the education of those students whose parents do not pay their contributions and charges. This school is committed to an even-handed and responsible approach so all parents should make contributions towards their children's education.

## **A Compassionate View**

This school is only too aware that the payment of school contributions and charges can be a burden for some families. Part payments, deferred payments and credit card debits are all available to support parents experiencing difficulties. However, we do need to talk to you about this. Ignoring accounts and reminders is unhelpful to all parties. The school is also keen to assist parents in selecting options that they can afford. To this end subject charges will always be available to parents prior to selection of subjects.

## **Collecting Contributions & Charges**

The school will take a positive approach to collecting contributions from parents/caregivers of students in Years 7 to 10. In particular, the school will highlight the benefits to students if all parents meet their contributions. With respect to charges for Years 7 to 12, the school will actively seek full payment of charges when appropriate. The School Board, in support of this process, has endorsed the following actions:

- Regular statements and reminders will be sent home to parents.
- Parents who refuse to communicate with the school and have made no effort to pay will be referred to our debt collection agency as permitted in the regulations.
- Specialist Programs will require a deposit to secure a place - \$100 for Aviation and Fashion & Design, and \$200 for Cricket.
- Select Entry Program, CoRE will require a \$30 deposit to secure a place.

## **Voluntary Contribution Years 7 - 10**

Contributions in WA Government schools are set at a maximum of \$235 per student for a nominal curriculum. Funds raised from school contributions and charges are expended on texts and consumables essential for teaching which is not supplied by the Government. Examples of these expenses are textbooks ranging in price from \$30 - \$95 each, photocopy materials, computer/digital items, cooking ingredients, materials for art, design and technology and science activities. As part of the school budgeting process, a portion of each \$235 is allocated to each learning area. In 2019 the allocations are as follows:

\$30	Mathematics
\$25	English
\$45	Science
\$20	Humanities & Social Sciences
\$35	The Arts
\$40	Technology & Enterprise
\$30	Physical Education
\$10	Languages Other Than English

## **Compulsory Charges Years 9 and 10**

Extra cost optional courses (elective subjects) outside the basic curriculum program incur additional charges above the voluntary contribution of \$235. For example, Sports, Visual Art and Food attract compulsory charges for items such as consumable materials and venue hire. Charges relate to items that students consume over and above what is supplied by the Department of Education. **All compulsory charges are required to be paid by 8 March 2019** (unless a payment plan has been arranged).

## **Approved Specialist and Select Entry Programs**

Aviation, Cricket and Fashion & Design are offered as approved specialist programs at Kent Street Senior High School. CoRE (Centre of Resources Excellence) is a select entry program. These programs will incur additional charges above the voluntary contribution. **Specialist and Select Entry Programs require a deposit by 1 December 2018 to secure a place** - \$100 for Aviation and Fashion & Design, \$200 for Cricket and \$30 for CoRE. **The balance is required to be paid by 8 March 2019** (unless a payment plan has been arranged).

## **Upper School Years 11 and 12**

The School offers a variety of courses in Years 11 and 12. Requirements for materials, resources and textbooks vary widely. For some courses the school supplies all materials and resources in return for the payment of a hire or resource charge; in other subjects the cost of the text books are included in the subject charge and students get to keep the book (upon payment of the subject charge). Charges will depend upon the course chosen. Some specific courses will incur higher costs dependent upon such items as text, subject specific resources, materials, excursions, certificates and work placement. **All subject charges are required to be paid by 8 March 2019** (unless a payment plan has been arranged). Students involved in **work placement must pay the associated charges prior to commencement** of the work placement.

## **Personal Items List**

**Stationery** – Recommended personal and stationery items lists are available from the school or our website. Items may be purchased from OfficeMax or parent/caregivers have the option of shopping around. If you intend using OfficeMax please follow the instructions on the list.

**Text Books** – Year 11 & 12 text books form part of the compulsory charges for Year 11 and 12 – either as a book hire or the total cost of the text book/s. The text books that will be supplied to students by the school are listed on the Personal Items Lists (as a note under each subject). Students who purchase their own text books can apply (via their teacher) to have their subject charge reduced. Please note that the text book component of the subject charge is heavily reduced from the retail cost of the text books.

**Please note that the school receives a commission for all orders placed online through OfficeMax.**

## **Voluntary Approved Requests**

### ***School Chaplain***

A family contribution of \$25.00 to support the presence of a non-denominational chaplain is requested. The Chaplain has an integral role in the school's Student Services team and is not an employee of the Department of Education. This position is funded by the community and your donations in addition to a payment from the state government that is not guaranteed from year to year.

### ***P & C Contributions***

The P&C (Parents and Citizens) Association earnestly seeks your continued support for 2019 by appealing to parents for a contribution of \$20.00 per family. This amount appears on the school contributions sheet and includes membership for both parents. In return the P&C has undertaken to have limited fundraising during the year. This enables the P & C to purchase much needed equipment and resources for student's use and relieve the pressure of a few volunteers to raise funds.

### ***Library Contribution***

The Library contribution is \$25.00 as the school is required to purchase a large and expensive range of equipment and books. Students also have access to internet information sites including World Book. Department of Education provides limited funding to provide resources for this centre.

### ***Information Technology***

We are requesting \$40.00 to assist with the upgrade, support, management, training and ongoing maintenance of the school's computer network.

### ***Swimming Pool Contribution***

Kent Street Senior High School is in the fortunate position of having a pool facility for the benefit of all students. This facility allows many programs to be run without the expense of going offsite which would incur excursion costs. Therefore we are requesting \$20.00 to allow for the maintenance of this facility. There are strict guidelines that schools must adhere to with regards to pool maintenance, including mandatory testing of the pool three times a day (during swimming seasons). The school has a pool care contractor who maintains the pool to the required standard.

### ***Aviation Program (ASG) Contribution***

An additional contribution of \$250 to the Aviation Support Group for those students participating in the Aviation Program. Below is a list of some of the initiatives the ASG has supported over the years:

- purchased Microsoft Flight Simulator software
- purchased computers and controls for student use
- purchased a colour printer
- bought audio-visual equipment for both the lecture theatre and classroom
- purchased components and equipment for the two student-built aircraft
- contributed \$14000 towards the repair of a wing for the Cessna 152
- contributed \$40,000 towards the purchase of a new engine for the Cessna 172
- donated \$20,000 to increase students' flying opportunities during the school day
- social media advertising for the Aviation Program
- purchased drones
- contributed \$15,399 to a CASA approved flight simulator
- provided food and beverages for participating members at ASG meetings

### ***Cricket Program (SPOCK) Contribution***

An additional contribution of \$250 to SPOCK (Supportive Parents of Cricket Kids) is requested for those students participating in the Cricket Specialist Program. SPOCK provides vital financial assistance to the school to ensure our Cricket Program continues to have appropriate equipment and facilities are maintained to a high standard, eg Curator for the turf wicket.

## Other Costs

### ***Smartrider Cards***

Smartrider cards are issued to all new students. The cost of the initial card is free. Photos of Year 7 students will be taken in the first week of Term 1 and these will be printed on the cards. New students who have not had their photo taken should request to be photographed at the Library. Replacement cards can be issued at a cost of **\$5.00**; payable at the Library.

### ***Printing Credit***

New students receive a \$2.00 credit on their printing account. When the credit runs out, students need to recharge their printing account at the library.

### ***Safety Glasses***

It is a **safety requirement** of the school that students must have a pair of **approved safety glasses** for all Science and Design and Technology classes. Safety glasses are listed on the Personal Requirements List. All Year 7 to 10 students participating in these subjects throughout the year will need safety glasses. Years 11 to 12 will require safety glasses only if participating in these types of subjects.

### ***Uniform Shop***

The wearing of school uniform is compulsory for all students. Uniforms are available from the Uniform Shop operated by **Uniform Concepts at 30 Kembla Way Willetton 6155**. The uniform price list is available from the school website: [www.kentstreetshs.wa.edu.au](http://www.kentstreetshs.wa.edu.au)

The Uniform Shop's regular opening times are:

Monday, Tuesday & Friday      9am – 5pm

Thursday                              9am – 6pm

Saturday                                9am – 1pm

Closed public holidays.

The last day of trading in 2018 is Saturday 15 December.

Uniform shop will re-open Wednesday 2 January 2019.

### ***Bring your Own Device (BYOD) Program Years 7 -12***

At Kent Street, we integrate technology into our teaching and learning programs. Students are given the opportunity to access the school's excellent wireless network on their own device.

Students are able to connect to the school's SEQTA Learning Management Suite to access: course outlines; tasks and assignments; daily notices; excursion information; reports and up to date marks for assessments submitted to teachers through SEQTA.

As parents, you are able to access SEQTA to find out what tasks and assessments your child has to complete, see an up-to-date report on the progress of your child, attendance and other general information.

All students are charged \$10 for SEQTA connectivity.

### **REQUIREMENTS FOR BYOD**

- **Screen size:** Must be a minimum of 9.7"/24.6cm
- **Recommended operating systems:**
  - Windows 8.1 or 10 (not Windows S or RT)
- **Required software:**
  - Microsoft - Word, Excel, PowerPoint & OneNote  
(Available free to all students once they begin attending KSSHS)
- **We strongly recommend:** All parents purchase a tough case to protect their child's device from damage.
- **We strongly recommend:** Parents take out theft and accidental damage insurance. Parents may be able to add their child's BYOD device as a portable item to their home contents insurance.
- **We strongly recommend:** Parents purchase an extended warranty when purchasing a device.
- **We strongly recommend:** An external hard drive to assist your child in backing up their school work (devices with USB ports).
